IDENTIFIED BY A SHOE.

The mystery of the disappearance of Miss Elizabeth Hansen, a Presbyterian church missionary who disappeared from her home in Clifton, O., April 17 last, is believed to have been solved by the finding of a leg of a woman in the sand bar in the river at the foot of Bridge street yesterday. The rest of the body has not been recovered. The limb was found protruding from the sand bar which has been left high and dry by the extreme low water in the river. It was badly decomposed, and from appearances has been torn away from the socket at the hip evidently by the water after time had done its work. On the foot was a shoe and a part of a black stocking. The shoe has been identified by a brother and sister of the girl as resembling one worn by Miss Hansen when she disappeared. Miss Hansen's family has been notified from the first that she committed suicide by throwing herself in the river, and the partial identification of the shoe appears to bear out this suspicion.

DeWitt's Kidney and Bladder Pills will promptly relieve all Kidney and Bladder disorders. Sold and recommended by W. F. Creighton & Co.

BULL AND LOCOMOTIVE.

When an express train on the Ulster and Delaware Railroad last night approached a bull standing on the tracks the animal lowered his shaggy head and charged.

The impact with the cowcatcher threw the bull to the top of an embankment, but the animal struggled back to the tracks to continue the battle, and fell under a parlor car, derailing it. The train was quickly stopped, and no one was injured.

The passengers assisted the train crew in disengaging remnants of the carcass from the running gear, and the train proceeded, after an hour's delay, on its way toward New York.

What is Best for Indigestion?

Mr. A. Robinson, of Drummond, Ontario, has been troubled for years with indigestion, and recommends Chamberlain's Stomach and Liver Tablets as "the best medicine ever used." If troubled with indigestion or constipation give them a trial. They are certain to prove beneficial. They are easy to take and pleasant in effect. Price, 25 cents. Samples free at W. F. Creighton & Co., and Richard Gibson.

HOTELS BAR NEGROES.

Delegates to the national convention of the Colored Elks of America who arrived in St. Paul, yesterday, found signs in all the leading hotels and restaurants notifying them that they would not be served there.

Although many negroes plainly showed their disgust, there was no redress, and the committee which had arranged for the convention had made an arrangement with the Hotel and Restaurant Keepers' Association whereby the association agreed to pay the rental of the St. Paul Auditorium for the convention rather than have to entertain the negroes as guests.

The convention opened today with addresses of welcome by Gov. John A. Johnson and Mayor Daniel W. Lawler.

If you take Kodol at the beginning of the bad attacks of Dyspepsia will be avoided, but if you allow these little attacks to go unchecked it will take Kodol a longer time to put your stomach in good condition again. Get a bottle of Kodol today. Sold by W. F. Creighton & Co.

A LONG WALK HOME.

Jeremy Jackson, colored, having walked, he claims, from Alabama to Virginia, was arrested yesterday in Henrico county on a charge of trespassing on property and frightening women. Jackson claims to be 77 years old, and told the officers after his arrest that he tramped to Virginia in search of the relatives of his former master, as he belonged, before the war, to a man named Mason, who lived near Richmond. He said that all his family had died in Alabama, and that he came back to Virginia as he thought he could find a home here with the family of his master. Jackson arrived in Henrico three days ago, and has been sleeping in the woods and begging for a livelihood.

Diarrhoea Cured.

"My father has for years been troubled with diarrhoea, and tried every means possible to effect a cure, without avail," writes John H. Zirkle, of Philippi, W. Va. "He saw Chamberlain's Colic, Cholera and Diarrhoea Remedy advertised in the Philippi Republican and decided to try it. The result is one bottle cured him and he has not suffered with the disease for eighteen months. Before taking this remedy he was a constant sufferer. He is now sound and well, and although sixty years old, can do as much work as a young man." Sold by W. F. Creighton & Richard Gibson.

EARTHQUAKE IN VIRGINIA.

Citizens of Chesterfield, Powhatan and Amelia counties were frightened Sunday into spending a day in the rain in the open field, by four distinctly-felt earthquake shocks which visited the three counties between 4 o'clock in the morning and the early afternoon. All of the shocks were preceded by rumblings and roarings similar to thunder and the approach of a storm. Negroes especially were frightened. Many of them left their homes at the first quake in the early morning, seeking the open fields in their night garments and refusing to take shelter in their homes again throughout the entire day. Religious services in churches were abandoned by the negroes, who held preaching in the open fields where they had congregated for mutual protection.
